

# Royston Come Together is a new initiative from Royston First which aims to revive our town centre and industrial areas, and bring life back to the town we all know and love. Visit [roystontown.co.uk](http://roystontown.co.uk) for further up to date information.

As part of this initiative, we have a new online COVID-19 Support Hub for local businesses on [roystonfirst.com](http://roystonfirst.com), and for you, our community, we have installed five touch-free hand sanitiser stations for you to use in the town centre.

We wish to thank the businesses who are helping us to look after these stations and keep our town a safe place for all; Mica Hardware, Abode Town & Country, No.3, HC Jewellers and Moreno's Cafe. Please feel free to use these, for your safety, when you are out and about in Royston Town Centre.

We are also helping to promote our local businesses by listing consumer-facing businesses that are open.

All of the entries will be displayed in the window of Royston Library in the coming days.
